    - ii. is accepted by the deputy returning officer, he or she shall deposit the ballot security envelope into a container or another ballot box.
  - d) After all ballot security envelopes have been dealt with pursuant to clause (c), the deputy returning officer shall then extract the ballots from the ballot security envelopes and proceed to count the ballots in accordance with sections 129 to 132 of the Act.
28. The deputy returning officer shall deem spoiled those ballots which were sent to voters by the returning officer but were not returned to the returning officer prior to the close of polls on Election Day and shall, pursuant to subsection 118(2) of the Act, reference this fact in the report of the count of the votes.
